

# **RELEASE NOTES**

## **Tree Guide Version 2024.2**

### **Revision/Additions**

- Fans logo added to front page
- Images of original and new red tree tags added (Page 4)

### **Tree Updates:**

- #6 White Willow
- #24 Japanese Tree Lilac
- #47 Red Maple
- #48 Norway Maple

These trees replace individuals identified in the original guide but subsequently removed due to poor health or they replace poor specimen trees that still are in the park.

### **Each of the new trees:**

- are identified with small red tags
- have updated google map locations
- have updated locations on the sector maps within the guide
