

Botanical Name	Common Name	Height	Spread	Color
<i>Achillea lanulosa</i>	Woolly yarrow	1' - 2'	1'	White
<i>Adenolinum lewisii</i>	Blue flax	1'	1'	Blue
<i>Agastache foeniculum</i>	Anise hyssop	2'	18"	Blue
<i>Aquilegia chrysantha</i>	Golden Columbine	36"	24"	Yellow
<i>Artemisia frigida</i>	Fringed sagebrush	3'	3'	Yellow
<i>Artemisia ludoviciana</i>	Prairie sage	2'	2'	Yellow
<i>Asclepias speciosa</i>	Showy milkweed	2'	12"	Pink
<i>Asclepias tuberosa</i>	Butterfly Weed	1'	1'	Orange
<i>Bouteloua curtipendula</i>	Side-oats grama	18"	1'	Tan
<i>Bouteloua gracilis</i>	Blue grama	1'	1'	Tan
<i>Buchloe dactyloides</i>	Buffalograss	6"	6"	Tan

<i>Callirhoe involucrata</i>	Poppy mallow	6'	18"	Red-violet
<i>Chrysothamnus nauseosus ssp. nauseosus</i>	Dwarf blue rabbitbrush	2'	2'	Yellow
<i>Coreopsis tinctoria</i>	Plains coreopsis	1'	1'	Yellow/Red
<i>Dalea purpurea</i>	Prairie clover	18"	18"	Purple
<i>Ericameria nauseosus ssp. graveolens</i>	Tall green rabbitbrush	4'	4'	Yellow
<i>Erigeron speciosus</i>	Aspen daisy	1'	1'	White
<i>Fallugia paradoxa</i>	Apache plume	4'	4'	White
<i>Gaillardia aristata</i>	Blanket flower	1'	1'	Red/ Yellow
<i>Helianthus annuus</i>	Annual Sunflower	10'	2'	Yellow
<i>Helianthus maximillianii</i>	Maximillian Sunflower	6'	4'	Yellow

<i>Helianthus pumilus</i>	Bush sunflower	4'	4'	Yellow
<i>Hesperostipa comata</i>	Needle-and-thread	18"	18"	
<i>Heterotheca villosa</i>	Hairy golden aster	6"	6"	Yellow
<i>Hydrophyllum fendleri</i>	Fendler's waterleaf	9 - 15 "	9 - 15 "	White
<i>Iris missouriensis</i>	Blue flag iris	2'	2'	Blue-purple
<i>Juniperus communis ssp. sspina</i>	Common juniper	30'	10'	
<i>Juniperus squamata</i>	Singleseed Juniper	16'	36"	
<i>Koeleria macrantha</i>	Junegrass	18"	18"	Green
<i>Liatris punctata</i>	Spotted gayfeather	18"	1'	Red-violet
<i>Lupinus argenteus</i>	Silvery lupine	18"	18"	Purple
<i>Machaeranthera canescens</i>	Hoary tansyaster	2'	2'	Purple
<i>Mahonia repens</i>	Oregon-grape	4'	3'	Yellow

<i>Mentha arvensis</i>	Wild mint	2'	2'	White
<i>Mimulus lewisii</i>	Monkeyflower	18"	18"	Yellow
<i>Mirabilis multiflora</i>	Four O'Clock	24"	24"	Red-violet
<i>Monarda fistulosa</i>	Wild bergamot	3'	2'	Pink
<i>Oenothera caespitosa</i>	White evening primrose	1'	18"	White
<i>Oenothera missouriensis</i>	Evening Primrose	6"	20"	Yellow
<i>Orzyopsis hymenoides</i>	Indian ricegrass	3'	2'	Tan
<i>Panicum virgatum</i>	Switchgrass	36"	30"	Green
<i>Penstemon barbatus</i>	Beardtongue	3'	2'	Red
<i>Penstemon secundiflorus</i>	One-sided penstemon	1'	1'	Pink/ purple
<i>Penstemon strictus</i>	Beardtongue	2'	2'	Purple

<i>Penstemon virens</i>	Greenleaf penstemon	1'	1'	Blue-purple
<i>Physocarpus monogynus</i>	Mountain ninebark	6'	6'	White
<i>Potentilla rivalis</i>	Brook cinquefoil	2'	2'	Yellow
<i>Prunus pumila ssp. besseyi</i>	Sand cherry	2'	3'	White
<i>Prunus virginiana</i>	Chokecherry	30'	25'	White
<i>Prunus virginiana melanocarpa</i>	Western chokecherry	30'	25'	White
<i>Ratibida columnifera</i>	Prairie coneflower	18'	18'	Yellow
<i>Rhus aromatica ssp. trilobata</i>	Three-leaved sumac	6'	3'	Yellow

<i>Ribes aureum</i>	Golden currant	5'	5'	Yellow
<i>Rosa woodsii</i>	Wood's rose	5'	5'	Pink
<i>Rubus deliciosus</i>	Boulder raspberry	3'	3'	White
<i>Rudbeckia hirta</i>	Blackeyed Susan	2'	1-2'	Gold
<i>Salvia azurea</i>	Pitcher sage	2'	2'	Blue
<i>Schizachyrium scoparium</i>	Little bluestem	3'	2'	Tan
<i>Solidago spp.</i>	Goldenrod	3'	3'	Yellow
<i>Sorghastrum avenaceum (nutans)</i>	Indian grass	3'	3'	Tan
<i>Sphaeralcea coccinea</i>	Scarlet globemallow	1'	1'	Orange

<i>Symphoricarpos albus</i>	Snowberry	3'	3'	White/ pink
<i>Tradescantia occidentalis</i>	Spiderwort	2'	2'	Purple
<i>Typha latifolia</i>	Cattail	6'	6'	Tan
<i>Verbena bipinnatifida</i>	Wild verbena	1'	2'	Purple
<i>Verbena hastata</i>	Blue vervain	3'	2'	Purple
<i>Yucca glauca</i>	Yucca	2 - 4'	2 - 3'	
<i>Zinnia grandiflora</i>	Plains zinnia	1'	1'	Yellow

Bloom	Wildlife Use
Summer	Pollen and nectar for small bees, flies and butterflies
Summer	Host plant for fritillary butterflies; pollen and nectar for other pollinators
Summer	Pollen and nectar for butterflies and bees
Late spring	Pollen and nectar for hummingbirds, butterflies, bumblebees and moths
Summer	Shelter; endures harsh conditions
Summer	Shelter; endures harsh conditions
Late spring	Host plant for monarch butterflies; pollen and nectar for other pollinators
Summer	Host plant for monarch butterflies; pollen and nectar for other pollinators
Summer	Host plant for satyr butterflies; shelter for small animals
Summer	Host plant for satyr butterflies; shelter for small animals
	Host plant for satyr butterflies; shelter for small animals

Summer	Host plant for fritillary butterflies; flowers attract bees and other pollinators
Fall	Late bloomer - important for many pollinators; shelter
Summer	Pollen and nectar for many pollinators
Summer	Host plant for sulfur butterflies; pollen and nectar for many pollinators
Fall	Late bloomer - important for many pollinators; shelter for birds and other animals
Summer	Pollen and nectar for small pollinators
Summer	Pollen and nectar for many pollinators, especially mid-sized or small bees
Summer	Pollen and nectar for many pollinators
Summer	Host plant for painted lady butterflies; nectar and pollen for many pollinators; shelter; seeds for birds
Fall	Late bloomer; host plant for painted lady butterflies; late bloomer - important for many pollinators; shelter; seeds for birds

Summer	Host plant for painted lady butterflies; late bloomer - important for many pollinators; shelter; seeds for birds
	Host plant for satyr butterflies; shelter for small animals
Summer	Host plant for painted lady butterflies; pollen and nectar for many butterflies; seeds for birds
Late spring	
Spring	Early bloom - nectar and pollen for bees; aquatic shelter
	Shelter all year; berries for wildlife
	Shelter all year; berries for wildlife
Late spring	Host plant for satyr butterflies; shelter for small animals; seeds for birds
Summer	Pollen and nectar for many pollinators
Summer	Host plant for sulfur butterflies; pollen and nectar for many pollinators
Late summer	Pollen and nectar for many pollinators
Spring	Early bloom - nectar and pollen for bees; shelter all year; berries for wildlife

Summer	Nectar and pollen for bees
Summer	Nectar and pollen for bees; aquatic shelter
Summer	Nectar for hawkmoths and hummingbirds
Summer	Nectar and pollen for bumblebees; nectar for butterflies, hummingbirds and hawkmoths
Summer	Host plant for sphinx moth; nectar and pollen for wide range of pollinators
Summer	Host plant for sphinx moth; nectar and pollen for wide range of pollinators
Summer	Host plant for satyr butterflies; shelter for small animals; seeds for birds
Summer	Host plant for satyr butterflies; shelter for small animals
Summer	Nectar and pollen for bumblebees; nectar for hummingbirds
Summer	Nectar and pollen for bumblebees; nectar for hummingbirds
Late spring	Nectar and pollen for bumblebees; nectar for hummingbirds

Summer	Nectar and pollen for bumblebees; nectar for hummingbirds
Spring	Shelter for birds and other small animals; small flowers for native pollinators
Summer	Nectar and pollen for bees; aquatic shelter
Spring	Small flowers for small pollinators
Spring	Host plant for swallowtail butterflies; shelter for birds and other animals, nectar and pollen for many pollinators; berries for birds
Spring	Host plant for swallowtail butterflies; shelter for birds and other animals, nectar and pollen for many pollinators; berries for birds
Summer	Nectar and pollen for pollinators
Spring	Shelter for birds and other small animals; small flowers for native pollinators; berries important winter food for many birds and animals

Spring	Early bloomer; Shelter for birds and other small animals; berries for birds
Summer	Shelter for birds and other small animals; pollen and nectar for pollinators; berries for birds and other wildlife
Spring	Shelter for birds and other small animals; pollen and nectar for pollinators; berries for birds
Summer	Nectar and pollen for wide range bees, flies and butterflies; seeds for songbirds
Late summer	Attractive to bumblebees and hummingbirds
Fall	Host plant for satyr butterflies; shelter for small animals; seeds for birds
Late summer	Late bloomer; attracts bees and other pollinators
Summer	Host plant for satyr butterflies; shelter for small animals; seeds for birds
Summer	Host plant for fritillary butterflies; flowers attract bees and other pollinators

Spring	Shelter for birds and other animals; small flowers attract small pollinators; berries for wildlife
Summer	Nectar and pollen for bees
Summer	Aquatic shelter
Summer	Nectar and pollen for butterflies and other pollinators
Summer	Nectar and pollen for butterflies and other pollinators
Summer	Nectar and pollen for bees
